

St. Jude's Global School

Welcome to St. Jude's Global School and we are honoured by your visit.

Your presence here shows your keen interest in finding the best school for your child. We appreciate your commitment, as you decide on the first steps towards the future of your child. We shall be happy to provide you with details that could help you decide on the right school in your child's "Education for Life".

We understand the importance of this visit and our Admission Counsellor is committed to acquaint you with all the information you may need for taking the right decision. If desired, you can also meet our school principal or take a student-led campus tour at a prearranged time from Monday through Friday. We also recommend you talk to the parents to learn why they consider our school to be the Best.

Please note that it is vital that your child be present during the counselling session, as we decide on taking up the responsibility of your child's guardianship, during his school years with us and beyond.

While you wait to be attended by our Admission Counsellor, you may please provide the information required in the Admission Counselling Form. This will help us to optimize the time you need to spend, as we believe your time is as important as ours.

Thanking you for the interest in our school and we wish you and your child a Great Day to cherish.
